

Time-Saving Concierge Services

Coach Quarters™ delivers professional, knowledgeable, and flawless personal assistance to meet all of our customers business and personal needs. We strive to provide a full range of services that assist our fractional owners, simplify their lives, and help them more thoroughly enjoy their motor coach experience.

Anytime, from anywhere, our customers have access to our professional Concierge Staff. They are expertly trained and dedicated to making your every wish a reality, and have what it takes to turn any problem into a distant memory.

Coach Quarters Concierge Services menu is virtually limitless:

- Let our professionals complete your “To-Do List”
- Last minute detail wrap-up. Allow us to assist you in concluding your travel plans. Need flowers or dry-cleaning? A stuffed bear for a special little one? Leave what’s left up to us!
- Ensure that the motor coach is totally prepared and stocked for each individual owner’s unique furnishings and requests.
- Improve business relationships – suggest and shop for client’s gifts.
- Entertainment and activities arranged and booked based upon your preferences and location – concerts – dining reservations – theatre.
- Event planning – allow us to work within your budget, timeframe, and preferences to make any moment special, unique, and memorable.
- Conference/meeting set-up and coordination.
- Mobile office assistance – personalized service.
- Business travel and personal vacations.
- Planning last minute getaways and parties.

As long as the request is legal, ethical, and well-intentioned, CoachQuarters will make it happen. The “Red Carpet” treatment never ends with Coach Quarters!

We strive to return to our customers the valuable time and flexibility that their lifestyles demand, while offering access to the amazing experiences of travel. We actually get to know our customers and that makes all the difference in the world.
